Sponsored by the Delaware Electric Cooperative • www.delaware.coop.org

Delaware Electric Cooperative is excited to be sponsoring DASEF's Family Day! Co-op linemen will be on hand to show guests how crews safely operate a bucket truck to restore power during storms. DEC employees will hand out plastic hard hats, coloring books and crayons to kids.

Highlights of Apollo at 50 *Sponsored by Delaware Space Grant • www.delspace.org*

Stand in the footprint of an astronaut. Try out DASEF's Moon Boots. See photos made from the original negatives of the Apollo astronauts and Apollo memorabilia. Experience DASEF's 15' by 15' Giant Moon Map. Kids can have fun in the Rocket Bounce and everyone can try some of the Lunar and Space activities under Lunar Tent.

Mission Objective
 The primary objective of Apollo 11 was to complete a national goal set by President John F. Kennedy on May 25, 1961: perform a crewed lunar landing and return to Earth.

See the Delaware Humanities "DEstination: Space" Exhibit which features a seven-foot tall timeline, visually depicting space exploration years from the first person in space in 1961 through the last of the Space Shuttle missions in 2011.

Directions to the DASEF Outpost:
 Take Route 1 or Route 13 to Smyrna. From Route 1, take Exit 114: You will exit to a light at Route 13. Turn left onto Rt. 13 heading south (pass the Food Lion and Mike's Harley). At the third light (Ocean Pro is on your left), turn left onto Big Oak Road (signs say Brenford on the right, Big Oak Road on the left).
 From the North on Route 13: After passing through Smyrna, turn left onto Big Oak Road (the sign says Brenford Rd on the right, Big Oak Road on the left).
 From the South on Route 13: Follow 13 from Dover until you get to the Willis Dealership on your right. At the next light, turn right onto Big Oak Road.
